The Opel Vectra is a large family car that was engineered and produced by the German automaker Opel. In the United Kingdom, the car was sold under the Vauxhall marque as the Vauxhall Cavalier and later as the Vauxhall Vectra, from 1995 onwards. It has also been sold by Holden in Australasia as Holden Vectra, and by Chevrolet in Latin America as the Chevrolet Vectra. The Vauxhall Cavalier was a large family car sold primarily in the UK by Vauxhall from 1975 to 1995. It was based on a succession of Opel designs throughout its production life, during which it was built in three incarnations. The first generation of Cavalier, launched in 1975 and produced until 1981, was based on the existing Opel Ascona with a few minor visual differences.
