“Good management is the art of making problems so interesting and their solutions so constructive that everyone wants to get to work and deal with them.” — Paul Hawken This is a list of my favorite and noteworthy management books. I test drive many of these books at work, and turn the insight into action. At school we were shown that heating a bar magnet caused it to lose its magnetism. How then, if the iron core of Earth is at a temperature high enough to liquefy it, does it generate a vast ...Yes, I see, and I agree again with your priorities, Jesse. I'm an executive leadership coach now, but when I started my first company back in the '80's (not the 1880's!), we relied on the powerful principles of purpose and core values, despite my being a total novice at running a company.
