Our People. We are motivated by a completely aspirational vision. We are on a mission to help fundamentally transform healthcare, be the recognized leader in healthcare data warehousing, and build a great firm. Catalyst HTI is an industry integrator, a real estate development that will bring together relevant stakeholders from across the health, wellness, and healthcare industries to accelerate the industry's current reimagining. Keynote - Saturday 4/6, 7:30pm Patti Conklin www.patticonklin.com The Journey of Service. For so many Leaders throughout the world, the idea of being of service starts young, or during a traumatic time. "With the psilocybin, you get an appreciation — it's out of time — of well-being, of simply being alive and a witness to life and to everything and to the mystery itself," said Martin.
